

## Let's Join International Video Exchange Live Lectures on Nano-Science between OU and UG !!

### INSD NanoScience Video Exchange Lectures 2017

The following international video exchange live lectures in English will be held between Osaka University (OU) and the University of Groningen (UG). A couple of one-hour lectures, one from OU and the other from UG, will be given four times. On UG side, there attend the students belonging to the Top Mater Course of NanoScience conducted by *Zernike Institute*, UG. On OU side, not only those Master and PhD students who are registered as the INSD nanoprogram students but also those who are interesting in the lectures are welcome to join the class and discussion. Do not miss such a valuable opportunity! These lectures are the main part of "International Exchange Lectures on Nanoscience and Nanotechnology A" (credit: 1 unit). Please register your name in advance in order to receive the lecture slides in advance.

**Exchange lectures:** every Friday from October 13<sup>th</sup> to November 17<sup>th</sup>, 2017 except on November 3<sup>rd</sup>.
